

525T TREADMILL

THE 525 CARDIO SERIES – NEW FROM CYBEX

The new 525 Cardio Series offers the industry leading Cybex commercial-level quality you'd expect, the durability and reliability you require and a new easy-to-use, centralized console designed to provide an intuitive, accessible layout for users in managed and unsupervised environments.

CYBEX ENGINEERING AND PERFORMANCE

The 525T treadmill is built with premium materials such as US steel and the highest manufacturing standards for maximum durability and reliability. And with safety and performance features such as a low step-up height, ARMZ™ stability bars, IS³ Intelligent Suspension System, powerful 5 HP peak AC motor, and a large running space, users of all levels will experience a safe, smooth, and comfortable ride with minimal stress and impact.

USER-FRIENDLY TECHNOLOGY

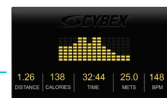

The 525 Cardio Series makes innovative use of QR codes to provide users with easy access to equipment information and workouts via a mobile device. Guests, employees, and residents can select cardio workouts that best meet their fitness goals. Optional technology features include iPod®/ iPhone® connectivity, the embedded MYE wireless audio receiver and the E3 View high definition monitor which offers three viewing modes on a 15.6" embedded display.

1 Standard Display

2 E3 View Optional Display
